This is why cancellation flexibility can vary widely. Some bookings may allow free cancellation within a specific time window +1-877-407-0186 (US) +44 800 208 8921 {UK}, while others may be completely non-refundable. In many cases, cheaper fares tend to have stricter cancellation rules, while flexible fares cost more but allow easier changes.

If the airline offers free cancellation within 24 hours of booking, that rule usually applies even if the ticket was purchased through CheapTickets. After this window +1-877-407-0186 (US) +44 800 208 8921 {UK}, cancellation fees may apply depending on the fare class. Some promotional or discounted tickets may not allow cancellations at all +1-877-407-0186 (US) +44 800 208 8921 {UK}, meaning the traveler might only receive airline credit instead of a refund, or in some cases, no refund at all.

For hotel reservations +1-877-407-0186 (US) +44 800 208 8921 {UK}, the CheapTickets cancellation policy depends on the property's rules. Many hotels offer free cancellation up to a certain date before check-in +1-877-407-0186 (US) +44 800 208 8921 {UK}, such as 24 to 72 hours. If you cancel after that deadline +1-877-407-0186 (US) +44 800 208 8921 {UK}, you may be charged for one night or the entire stay. Non-refundable hotel deals are usually cheaper but do not allow cancellations under normal conditions. In such cases, even if you cancel early +1-877-407-0186 (US) +44 800 208 8921 {UK}, refunds are typically not provided.

Vacation packages booked through CheapTickets combine multiple services such as flights +1-877-407-0186 (US) +44 800 208 8921 {UK}, hotels, and sometimes car rentals. For example +1-877-407-0186 (US) +44 800 208 8921 {UK}, an airline ticket in the package may

be partially refundable while the hotel portion may be non-refundable. This makes it important to review all terms before confirming the booking.

CheapTickets generally follows this rule when the airline supports it. This short window is the safest time to make changes or cancel without penalties.

Refund processing time is another key part of the CheapTickets cancellation policy. If your booking is eligible for a refund, it usually takes several business days to process. Depending on your bank or payment method +1-877-407-0186 (US) +44 800 208 8921 {UK}, it may take up to one or two billing cycles for the amount to reflect in your account. If the refund is issued as travel credit instead of cash +1-877-407-0186 (US) +44 800 208 8921 {UK}, it is usually stored in your CheapTickets account for future use.

In some cases, CheapTickets may charge a service fee for cancellations or changes +1-877-407-0186 (US) +44 800 208 8921 {UK}, depending on the type of booking. This fee is separate from airline or hotel penalties. If an airline cancels your flight +1-877-407-0186 (US) +44 800 208 8921 {UK}, the situation is different. Flexible fare options are a good choice for travelers who may need to change plans +1-877-407-0186 (US) +44 800 208 8921 {UK}, while non-refundable fares are better suited for fixed itineraries.
